Subject: Urgent Inquiry and Request for Access – Detention of Mr. Damrongsak Kiewpeng

Dear Sir/Madam,

I serve as legal counsel to a large group of American and Canadian Investors who have invested millions of dollars into Thailand real estate, health clinics and other operating businesses. My clients are gravely concerned as there has been no communication with Damrongsak Kiewpeng, the Chief Executive Officer of the various companies. Several of my clients have attempted to contact Thai Authorities without response. In addition our office has attempted to gain assistance from United States Senator Tammy Duckworth and US Ambassador Robert Godec. I have attached the prior correspondence for your review.

At this juncture, we hereby request the assistance of the US Trade Representative and Minister of Finance as it is believed that the CEO is being held without charge and without legal representation. We are fearful that the American investors will lose all of their invested capital if Damrongsak Kiewpeng is neither released nor allowed to engage legal counsel.

Prior to investing four years ago, my clients conducted thorough diligence on Damrongsak Kiewpeng. He consistently received high praise from every individual and organization we spoke with, and he is widely recognized for his professional integrity, numerous business awards, and active engagement in community development. His reputation has always been exemplary and free of controversy. My client's experience working with him over the four-year period has been nothing but positive and productive.

With the imminent tariff negotiations with the United States of America, it important for American investors to maintain confidence in Thai commerce and investment opportunities. We hope this matter can be resolved promptly and in a manner that reinforces Thailand's reputation as a secure destination for international investment. If you require any further information, do not hesitate to contact me. Thank you for your attention to this urgent matter. We look forward to hearing from you as soon as possible.

Respectfully,

Peter Michael Rinato, Esq.
